- d. Communication between the staffers only does not require delegate(s).
- e. SBP, SBVP, or their CM can communicate with a staffer individually without delegate(s).
- f. At least one delegate has to attend group zooms, phone calls, or in-person meetings. If the assigned delegate(s) can not attend, another member of the Elections Board will attend. If no one from the Elections Board can attend, the meeting will have to be rescheduled.

*Tickets are encouraged to include delegate(s) in ALL communication, but only required to do so in what is outlined above. Again, SBP, SBVP, and their CM can communicate individually or in a group (the only group to do so) but encouraged to include delegate(s).*
